

## Team Coach Credentialing FAQ

- 1. Where can I find the documents that I need to submit with my team coach credential application?**  
[Please click here](#) for descriptions of each credential level and lists of requirements and checklists as well as a link to the application and a PDF of the application to guide you.
- 2. Where should I upload supporting documents and forms?**  
As you fill in the application in Qualtrics there will be opportunities to upload forms.
- 3. Who should fill in the reflected best self-exercise?**  
Please choose a group of 3-5 co-coaches, leaders and colleagues to complete the exercise.
- 4. I completed the reflected best self years ago. Should I do it again?**  
Please complete the exercise again so that it can accurately reflect your growth and development as a team coach.
- 5. May I submit my site visit evaluation in place of the coachee and leader results summary?**  
Please submit these materials separately as the site visit feedback is key to make improvements for future site visits and the coachee and leader evaluations are important for general feedback.
- 6. Do I need to submit feedback reports from coaches and leaders?**  
Please only upload the results summary documents with your synthesized reflections.
